Read the following paper:-

Letter from G.J.Wells Esq., M.A.,I.C.S., Collector of South Kanara, Ref.C.No. 6639-25-A-1, dated the 3rd April 1926:-

The Revenue Divisional Officer,Mangalore, reports that applications for assignment on darkhast of portions of S.No. 99 of Jappinamogar village were rejected by the Tahsildar, Mangalore, on the ground of their proximity to the proposed Mangalore-Pane.Mangalore railway line and solicits my orders whether the lands could be assigned subject to the condition that they should be surrendered without -

claiming any compensation whenever required by Government.

2. The Mangalore-Panemangalore Railway line is a metre gauge line once proposed to be constructed and maintained by the District Board, South Kanara. The President, District Board, was asked by me whether the line has not been abandoned or whether there is any prospect of its being constructed in the near future. In his reply (copy enclosed) he informs me that there is little or no chance of the Railway line being construc in the near future and that there are greater chances of the Arsikere- Mangalore Railway line being constructed. In the cas of the Arsikere Mangalore Railway line, Government have in thei order No.Mis. 180 Revenue Department dated 3-2-26 communicated in B.P.Mis. 313 dated 6-2-26 already decided that the lands lik to be affected by the said project need no longer be assigned s ject to the condition imposed in G.O.Mis.No.1471 Revenue, dated 5th May 1910.

3. I therefore solicit Board's orders whether the lands likely to be affected by the Mangalore- Panemangalore Railway line may be assigned on darkhast without subjecting them to the condition that they should be surrendered without compensation whenever required by Government.

Copy of letter from the President, District Board, South Kanara to the Collector of South Kanara, Ref C.No. 3534/D.B.25 dated 10th March 26:-

Assignment- Darkhast-Proposed Mangalore- Panemangalore- Railway line

In reply to your letter Ref.C. 6639-25-A-1 dated 3-3-26 I have the honour to state that there is little or no chance of t Railway line from Mangalore to Panemangalore being constructed the near future. In this connection I may state the Hassan (or Arsikere) Mangalore line has greater chances since it has b advanced in the Railway programme up to the 7th place. Agitatio
